

# SACRED SOUND

All of Life is Vibration, a multitude of different frequencies...  
audible sound is only a very narrow band width in this Cosmic Symphony,  
& being Vibration, the effects of sound reach far beyond the audible realm.

Natural Harmonics connect us within all the layers  
of our Multi-dimensionality..

A deeply relaxing & profound Journey through your own inner space,  
Awakening Inner Silence

David Tomsu &  
Lauren Hofmeyr

Groups, couples,  
individuals
